Workshops

Building a movement for adolescent girls through:

Increased leadership and capacity on adolescent girls' issues

Increased resources for innovative advocacy strategies

Improved laws, policies, and government funding for girls

Active network of leaders & institutions

Adolescent girls empowered
as advocates

Strengthened civil
society sector

Improved educational, economic and health outcomes for adolescent girls

Improved governmental accountability for adolescent girls' needs

Achievement of Millennium Development Goals 2, 3, and 5

Adolescent girls empowered to advocate for their rights

Critical mass support for adolescent girls' equality

Decreased maternal mortality, improved health, parity in education & employment
